Yer ol' Pal

The Bud.

" In Times We Weep."

Why did I do it? I fell right into Apocalypse's plan and lost everything

I've ever worked for. I even lost my wife. My beautiful wife. I guess I can

laugh now knowing she's probably watching the "Fresha Saga" again.

I wonder how Chi Chi delt with Goku's deaths? Ahhh! Listen to me

contemplating Jean's cartoon fetish instead of figuring out how to get

out of here! Trapped in my own mind by one of my worst enemys. I give

Apocalypse the worst pain he's ever felt. All the other body's he's possesd

gave up and gave him what he want they willingly died to escape him.

I refuse to give up. I will do whatever I need to do to defeat this monster.

I just hope Jean doesn't forget me while I'm gone. At the rate I'm going,

I only have a few months before I wear him down, hopefully. I don't even know

just how long I've been here. But he's weakining every day and thus I am growing stronger.

I will win. None of the X-men know that I'm alive. Xaiver severed the last tie I had to my wife

but it won't be long. I'll never look normal again, but I'll be back in

my wifes warm arms.

End
file.
